Uniting for Ukraine Overview and Online Filing Process of Form I-134 for Supporters and Beneficiaries

U.S. Citizenship and Immigration Services (USCIS) invites you to participate in a webinar on **June 30 from 2 to 3:15 p.m. Eastern**. During this webinar, USCIS will provide an overview of *Uniting for Ukraine*, a streamlined process to provide a pathway for Ukrainian citizens and their immediate family members to come to the United States temporarily. President Biden announced the program on April 21, as a key step toward fulfilling the Biden Administration's commitment to welcome Ukrainians fleeing Russia's invasion.

Ukrainians participating in *Uniting for Ukraine* must have a supporter in the United States who agrees to provide them with financial support for the duration of their stay in the United States. The first step in the process is for a U.S.-based supporter to submit [Form I-134, Declaration of Financial Support](#), online. During the webinar, USCIS will demonstrate the online filing process of Form I-134 by a potential supporter and review what a beneficiary must do in the online system to complete the process.
